REAL ESTATE ERRORS & OMISSIONS INSURANCE

QUESTIONS & ANSWERS

- 1. Are all real estate licensees required to buy coverage under the group policy?** No. Licensees who do not desire coverage under the group policy may purchase insurance coverage elsewhere. However, all licensees obtaining coverage other than that provided by the group policy must provide proof of coverage to the Mississippi Real Estate Commission, (MREC) and all coverage must meet the minimum equivalency requirements as established by the MREC.
- 2. What is the cost of coverage under the group Policy?** The minimum MREC required limits of \$100,000/\$500,000 is \$161.00 per license. Please refer to the premium schedule for optional limit premiums. The premium for any chosen limit after July 31, 2011 will be prorated. All premiums are fully earned.
- 3. Where does coverage apply under the group policy?** For resident Mississippi licensees, including non-resident licensees who work for or represent a real estate firm located in Mississippi, the policy applies to wrongful acts - as defined in the policy - that are committed in the coverage territory as described in the policy (all claims must be brought in the United States, its territories or possessions, Puerto Rico or Canada). For non-resident Mississippi licensees who do not work for or represent a real estate firm located in Mississippi, the policy only responds to wrongful acts - as described in the policy - committed within the State of Mississippi.
- 4. When must claims be reported?** If you receive a written demand for damages or services; a written demand to cease or desist; a civil proceeding/declaratory relief; or an arbitration/other alternative dispute resolution such claim must be reported in writing as soon as possible during the policy period or any applicable extended reporting period for coverage to apply. If you become aware of an act, error, omission, incident or circumstance that may develop into a claim but have not received any written demand you may still report this as a potential claim. Please see the policy for complete claim reporting procedures. You can obtain claim forms from our web site, www.maverick-insurance.com/wug.
- 5. Where do licensees report claims?** Licensees must report all claims (as defined in the policy) as soon as practical to the insurance company.

- 6. What is a Claims-Made Policy?** Under a claims-made policy, you are protected for covered claims reported under the policy that is in effect at the time you report the claim, not when the real estate transaction occurred. However, the real estate transaction must have occurred after your retroactive date and before your coverage ends.
- 7. What is a "Retroactive Date"?** Each licensee covered under the group policy will have his/her own retroactive date. It is the earliest date that a licensee is first insured under a claims-made policy that has been continuously in force.
- 8. What is the importance of a "Retroactive Date"?** A claim resulting from a wrongful act - as described in the policy - which took place before a licensee's "retroactive date" will not be covered under the policy. It is therefore very important for licensees enrolling in the group policy to carefully determine what his/her "retroactive date" is if he/she is currently covered under a claims-made policy.
- 9. What will be my "Retroactive Date" if I am not currently insured under a Claims-Made policy?** Licensees joining the group policy who are not currently insured under a claims-made policy will have a "retroactive date" the first day of the month in which they become insured under the group policy.
- 10. What is an Extended Reporting Period Endorsement (Tail Coverage)?** This endorsement extends the time to report certain claims alleging wrongful acts that are committed before the end of the policy period, and after your retroactive date. The claim must be reported during the applicable extended reporting period. This endorsement does not extend the policy period or change the scope of coverage.

New license applicants or licensees joining the group program after July 31, 2011 will be required to pay the following premium amount that corresponds to the month you wish to obtain coverage and the limits of liability chosen.
