

Instructions: Supplemental Materials

For your convenience, the following model forms are provided for possible use with the PCDS:

1. An “additional page,” as referenced in the PCDS to be used for additional explanations, if necessary.
2. An “Amendment” to the PCDS if circumstances require seller to amend the original PCDS.

PCDS
Additional Explanation Page

Instructions to Seller(s):

The PCDS often presents boxes in which to provide explanatory details on various topics, including an instruction to “attach additional pages if necessary.”

This page may be used as such an additional page. Seller should indicate in the main body of the PCDS that an additional page has been attached when such is needed.

To avoid confusion on what is being explained, identify the item for which additional explanation is being provided by providing Roman Numeral for the subject Section, and the Number for item in that Section being explained (for example, “**IV. 8.**” would reference Section IV., “Structural Items and Soils,” Item 8: (regarding damage from fire, hail, etc.)).

Write your explanation in the box below. More than one item may be discussed if space allows, or, use more pages.

Amendment to the Property Condition Disclosure Statement (PCDS)

Instructions to Seller(s):

You may use this model form to Amend an existing PCDS by completing this Amendment form and attaching it to the front of the existing PCDS. Using the same process, multiple consecutive amendments may be made over time.

Note to Buyer(s) and Seller(s):

Note that Amendment of a PCDS has the effect of providing the PCDS for the first time, in that relevant timelines and legal options available to the buyer begin anew upon the seller's providing an Amendment to an existing PCDS.
